

MCA YOUNG NUMISMATISTS

The Medal Collectors of America (MCA) is initiating a new program for Young Numismatists. Interested parties 18 years of age and younger qualify for such membership. Membership is FREE and entitles members to the electronic, online edition of the MCA Advisory, a bi-monthly magazine containing outstanding, original articles related to the study and collecting of art and historical medals.

All MCA YN members are also encouraged to submit articles or other newsworthy items of interest to fellow medal enthusiasts, which will be considered for publication in the MCA Advisory or included on the MCA website. Articles and announcements for the MCA Advisory should be sent to its editor, John W. Adams (John.Adams@canaccord.com), and material for the MCA website may be sent to the MCA webmaster, Ben Weiss (ben@benweiss.org).

Application for membership should be made by completing the [MCA Young Numismatist Application Form](#) and mailed to:

MCA
c/o Barry Tayman
3115 Nestling Pine Court
Ellicott City, MD 21042

or E-mail completed, signed form to: bdtayman@verizon.net

We hope many of our young numismatists will participate in this program, as collecting and studying medals offers excitement and joy to anyone, young or old, who is interested in Art or History.
